Lincoln MoneyGuard[®] II

CASE STUDY

Meet Nancy

Married, age 60, good health

Nancy likes to be in control. She wants to prepare for retirement by protecting her portfolio with a solution that gives her options.

Nancy's advisor recommends that she purchase a \$100,000 single premium Lincoln MoneyGuard II policy. She can have a minimum of six years of long-term care benefits because her policy has a 2-year Long-Term Care Acceleration of Benefits Rider and a 4-year Long-Term Care Extension of Benefits Rider. If she needs care, she'll have benefits worth much more than her premium payment.

Help protect your assets from long-term care expenses with a solution that fits your financial plan—Lincoln MoneyGuard II. This universal life policy with an optional qualified long-term care insurance rider provides benefits to reimburse qualified long-term care costs and gives you a choice of payment options to fit your financial needs. Here's how it works.
